Synopsis

AV Specialist with experience in designing and proposing Audio-Visual solutions for enterprise environments. Skilled in translating client requirements into cost-effective system designs, conducting Proof of Concepts (PoCs), and collaborating with internal and OEM teams. Combines strong technical expertise in AV systems and networking with a management background in marketing to deliver customer-focused solutions, effective communication, and business-aligned decision making. Industry-certified across Extron, Q-SYS, Kramer, NETGEAR, and Lightware ecosystems.

Professional Experience

06/2025 – Present	Godrej & Boyce Mfg. Co. Ltd. <i>AV Specialist (Deputy Manager)</i> - Gathered client requirements and designed customized AV solutions aligned with functional and budget constraints - Conducted Proof of Concepts (PoCs) to demonstrate system performance and validate solution feasibility - Collaborated with design teams to develop BoQs, system architecture, and product selection strategies - Reviewed technical proposals to ensure accuracy, compliance, and alignment with client expectations - Coordinated with OEMs for product evaluation, technical discussions, and training on emerging AV technologies
05/2024 – 07/2024	SS Mobiles <i>Sales and Marketing Intern</i> - Analyzed customer buying behavior to improve sales conversion strategies - Identified upselling opportunities, increasing average transaction value

Education

2023 – 2025	Masters of Management Studies (Marketing) <i>Vidyalankar Institute of Technology, Wadala</i> 9.11 CGPA
2019 – 2023	Bachelor of Engineering (Computer)(Honours with specialization in AI and ML) <i>Modern Education Society's Wadia College of Engineering</i> 8.66 CGPA
2017 – 2019	HSC <i>St Patrick's Altitude Junior College</i> 79.9%
2017	SSC <i>BHEL Secondary School</i> 9 CGPA

Skills

AV & Systems

AV System Design, AV-over-IP (Dante/NDI), Video Conferencing Systems, Audio/Video Signal Flow

Business and Consulting

Solution Design, Technical Documentation, Client Interaction, Analytical Skills

Networking

TCP/IP, VLANs, Multicast, QoS

Technical

JavaScript, Python (Automation), HTML & CSS, Git

Professional Certifications (AV & Networking)

Extron

- AV Associate Certification

NETGEAR

- AV Level 1 Certification
- AV Sales Certification
- Tech Sales Partner Certification

Lightware

- AV-over-IP Technology (Level 1)
- Gemini GVN (1 Gbps AV-over-IP)
- Taurus UCX (Level 1 & Level 2)
- Room Automation Solutions (Level 1)
- Codec Integrations (Level 1)

Poly

- Sales Specialist Certification

Q-SYS (QSC)

- Q-SYS Architect Level 1
- Q-SYS Certified Sales Professional
- Q-SYS Level Zero Training

Kramer

- AV over IP Sales Associate
- Audio Specialist
- VIA Sales Associate
- Collaboration Devices (BYOD & MTR)
- Desktop Connectivity (TBUS)

Harman Professional

- Audio Essentials
- Video Essentials
- Networking Essentials
- Control Essentials
- Cabling Essentials
- PC Essentials

Projects

2024	Paper Saving solution for B.E.S.T Bus Mumbai  <i>Proposed a Sustainable Perspective for Bus Ticketing Systems to minimize the waste of paper.</i>
------	--

Program Volunteering

2022 – 2023	Jhankaar 2K23 (Annual College Fest) <i>Core Committee member</i>
2020 – 2022	ACE MESCOE (Computer Department Club) <i>Member</i>
2020 – 2023	Google Developer Student Club MESCOE <i>Developer</i>

Extra-Curricular Activities

2024	Medathon Competition - KEM Hospital Mumbai • Collaborated in a cross-functional team (medical, design, engineering) to solve real-world healthcare challenges • Contributed to problem-solving and ideation under time-constrained conditions
2023	Mock Stock - VIT Mumbai • Organized and executed a stock market simulation event, managing end-to-end planning and participant engagement • Designed trading scenarios and facilitated real-time decision-making experience for participants
